

Focus
Ensuring your focus is in the right place through effective time management increases the odds you are doing the right things.

Relationships
Build effective relationships based on mutual respect and trust. These are critical to any leader but especially those in organizations undergoing change.

Execution
With the right focus and alliances flawless execution will follow naturally.

Leadership Coaching

POWER ON LEADERSHIP

We are passionate about developing tomorrow's Leaders and recognized the need to develop a community mentoring program that fulfills this purpose.

EXPECTATIONS

If you are committed to working hard, willing to explore the possibilities, and have a desire to take focused action we want to work with you!

HOW IT WORKS

The program lasts for 6 months during which you'll meet, one-on-one, with your coach. You meet twice a month to review your progress and deepen your learning.

GETTING STARTED

Getting started is easy, just call us at 206.262.7668 to enroll in the program and schedule your assessment.
